The Catholic Fraternity Fund has taken the burden off my shoulders of worrying about how to invest and manage the financial

gifts of my parishioners at Immaculate Conception and St. Helena. The Catholic Fraternity Fund is a great tool for me to reassure my parish family that their funds are being managed in line with our Catholic faith and values.

- REV. WIESLAW IWANIEC, PASTOR

The CATHOLIC FRATERNITY FUND is a wholly owned nonprofit subsidiary of the CATHOLIC COMMUNITY FOUNDATION for the Roman Catholic Church of the Archdiocese of San Antonio.

THE CATHOLIC FRATERNITY FUND (The Fund/CFF)

offers professionally managed investment funds to Catholic institutions located in the Archdiocese of San Antonio and Texas.

We base our ministry on the precept that we are called, through encounter and dialogue, to forge a unique fraternity in service to our members providing socially responsible investments to achieve their financial goals.

The Catholic Fraternity Fund offers three diversified investment funds professionally managed to achieve desired risk adjusted returns and to strengthen the Catholic community. What's more, a member may divide an investment across as many of the funds as they wish. Deposits, withdrawals and Market Values are available daily. Sendero Wealth Management is the financial advisor to the funds.

The diversified portfolio funds of equities, alternative and fixed income, follow our faith principles to deliver competitive investment returns. Should a Catholic institution or a parish wish to move beyond an Investment Fund to permanently endowed funds for their long term protection, **we can help!**
